

LONG ROAD DISTILLERS

BARREL RESERVE GIN

AGED IN WHISKY BARRELS

“THE BARREL-AGED BROTHER
OF OUR AWARD-WINNING GIN”

This limited release features our signature 6-botanical blend of juniper, coriander, cardamom, pink peppercorn, grains of paradise and fresh lemon peel. It has been aged in used Long Road Whisky barrels for over 12 months, creating a spirit with a clean, crisp finish, and hints of the underlying whisky.

Treat it like a gin - or a whisky - either way, you won't be disappointed.
