CHARACTERISITICS:

“FULL-BODIED AND FULL-OF-
FLAVOR: THE SPIRIT OF
WEST MICHIGAN”

Long Road Straight Bourbon is full-bodied and full-
of-flavor—proof that careful distillation and
respectful treatment results in a more authentic
taste.

We put everything into getting this one just right,
starting with the grain we source from a farmer we
know by name, and by taking the time to let the
spirit develop in 53 gallon casks for nearly 3 years.

PROCESS AND TECHNIQUES:

- Milled from locally sourced whole grain and fermented on-site
- Two times distilled on 500 gallon Vendome copper pot still
- Aged for over two years in 53 gallon new American oak barrels
- Careful blend of 3 distinct barrels for balance and complexity
- Non-chill filtered

TASTING NOTES:

- Subtle vanilla candy on the nose
- Hints of vanilla toffee and cream of wheat
- Mild fruit and spice at first taste
- Sweet notes of caramelized pecan on the palate
- Long, creamy finish
