CHARACTERISITICS:

“ AN HONESTLY CRAFTED
MICHIGAN WHISKY ”

Long Road Wheat Whisky is an honestly crafted,
100% Michigan-made whisky from Grand Rapids’
first distillery.

It is full-bodied and full-of-flavor - proof that
careful distillation and respectful treatment of
the process results in a more authentic taste. We
continue to put everything into getting this one just
right, starting with the red winter wheat we source
from a farmer we know by name.

Enjoy this 100% Wheat Whisky on the rocks or in
your favorite whisky cocktail!

PROCESS AND TECHNIQUES:

- Milled from locally-sourced whole grain and fermented on-site
- Twice distilled on our 500 gallon Vendome copper pot still
- Aged in charred new American oak barrels from the Barrel Mill
- Barrels are carefully selected and blended for each batch to ensure quality and consistency of flavor
- Non-chill filtered
- Not treated with any carbon or charcoal filtration techniques

TASTING NOTES:

- Subtle vanilla candy on the nose
- Hints of vanilla toffee and cream of wheat
- Mild fruit and spice at first taste
- Sweet notes of caramelized pecan on the palate
- Long, creamy finish with just enough bite to mix in drinks
