## ROLL THE DICE

Ask your bartender or server for the dice and try your luck at unlocking one or all of our unlisted, off-menu cocktails.

### HERE'S HOW IT WORKS:

Roll an 8-sided die. Each number corresponds to a secret cocktail known only to our team. We'll check in about any allergies, then hand over the name of your drink—no details, no spoilers. You get the cocktail, and the rest is up to you.

Try to guess what's in it. Ask questions. Play it cool or play detective. Each time you roll a new number, we'll mark it down on your mystery menu card. If you roll a number you've already had, you can roll again—unless fate insists. Roll the same number twice in a row, and you're getting it again. No backsies.

Once you've added a cocktail to your mystery menu card, you may order that drink again at any time—unlocked for you and you alone. Seriously, no sharing. Collect them all to complete the set. Fill the card once? Twice? Three times?

Earn your way to increasingly awesome mystery rewards.

Every mystery cocktail is just \$12. Lower stakes, bigger surprises. This is your invitation to explore the road less traveled with us!
